Dear Mr. Jones,

I understand that you telephoned us last Saturday regarding information you required on the Hawke Formula Super Vee. I therefore have pleasure in enclosing a rough specification sheet on the new Hawke DL8 Super Vee together with a photograph. Current prices are as follows, but these will be increased by approximately five to seven per cent in November:-

HAWKE DL8 FORMULA SUPER VEE complete and ready to race, with Stuart Holt full race engine, bag tanks, belts, etc.	£1985
HAWKE DL8 FORMULA SUPER VEE complete as above but less engine.	£1485
HAWKE DL8 FORMULA SUPER VEE complete as above but less engine and gearbox.	£1405

In case you are not aware of the current Championship positions, our Hawke is now leading the British Championship, after having run only the last five events, there being one more event outstanding. If you would like any further information on our Super Vee you would be most welcome to visit us at the factory at any time convenient to you.

Yours sincerely,

A.J. Roberts,  
Sales Manager.
